

*Tame the flavor of the west.*

*North American Bison Cooperative, Fargo, ND* 

*The original, healthy red meat.*

## *Why serve naturally raised bison?*

***Bison is a uniquely American food with legendary appeal. Guaranteed to create a new food memory.***

- Consistent, sweet flavor
- Mouth-watering tenderness
- High in protein and iron
- Lower in fat, calories and cholesterol than skinless chicken, pork, lamb and beef.

### ***Our Promise***

***No Hormones – ever. Free of antibiotics. TenderBison® meat tastes great and offers customers a pure and natural protein choice.***

# How are some chefs using bison on their menu?

**Bison can stand alone or stand in for beef in any dish.  
Imagine the possibilities.**

## **Starters**

*Citrus Fire Roasted Bison Quesadillas*  
*Bison-Bourbon Skewers*  
*Bison Sliders*

*Bison Carpaccio*  
*“Buffalo Style” Bison Strips*  
*Northern Plains Pizza*

## **Salads**

*Black-n-Bleu Bayou Bison Salad*  
*BBQ Bison Pasta Salad*  
*Bison Southwest Salad*

*Braised Bison with Spinach,  
Mushroom and Tomato*

## **TenderBison® Entrees**

*Braised Short Ribs*  
*Bone in Strip Steak*  
*Grilled Tenderloin*  
*Pasta Bolognese*

*Roasted Prime Rib*  
*Grilled London Broil*  
*Bison Osso Bucco*  
*Stuffed Bison Hanger Steaks*

*Everybody has beef on their menu, it was time to try something new. TenderBison® is one of the most tender meats I've ever worked with. When I serve it, I try to leave it as is to let the flavor come through. My customers really enjoy the unique taste.*

**- Chef Edward Diaz**  
**Steamboat House, Houston, TX**
